

TIERRA SANTA

GOLF CLUB & COMMUNITY

Tierra Santa is a 370+ acre master-planned golf community for single-family residences. Approximately 400 homesites are planned of which 292 are developed in Phases I and II. The average lot size is about ¼ acre. The gross acreage is almost one acre per lot, featuring curbed streets and lush greenbelts.

Tierra Santa offers homesites to fit most budgets and offers a multitude of excellent financing options. From affordable Las Villas to luxurious Hacienda Estates, you can't afford NOT to move to Tierra Santa! With lots twice the average size of other planned gold course communities, plus a gated entrance and energy efficient home, Tierra Santa offers the extras every homeowner looks for.
